# ARW SOLUTIONS

Smart Integration. Seamless Performance!

## WHO WE ARE

ARW Solutions is a small business federal contractor delivering trusted IT, cybersecurity, and mission-support services to defense and civilian agencies. Founded in 2023 and headquartered in Waldorf, MD, ARW combines federal-acquisition fluency with hands-on engineering, backed by a CMMC Level 2 posture and a delivery model built for task-order velocity.

## CORE CAPABILITIES

|     |                                  |                                                                                         |
|-----|----------------------------------|-----------------------------------------------------------------------------------------|
| AI  | AI / ML INTEGRATION              | Generative AI, computer vision, predictive analytics, MLOps, Digital Twin systems.      |
| SEC | CYBERSECURITY                    | Zero Trust, CMMC compliance, RMF/ATO, vulnerability research, SOC enablement.           |
| CLD | CLOUD & IT INFRASTRUCTURE        | AWS/Azure/GCC High migration, IaC, secure enclaves, hybrid-cloud, managed IT.           |
| AUT | INTELLIGENT & AUTONOMOUS SYSTEMS | Autonomous vehicles, intelligent systems integration, and robotics deployment.          |
| NET | NETWORK INFRASTRUCTURE           | BICSI-aligned cabling, fiber & copper plant, OSP/ISP, SCIF/SAP-ready buildouts.         |
| SCL | SUPPLY CHAIN & LOGISTICS         | 3PL/4PL operations, warehousing, mission-cargo distribution, supply-chain Digital Twin. |

## WHY ARW

- ✓ CMMC Level 2 self-assessment complete, DIB-ready ahead of Phase 2 enforcement (C3PAO certification in progress)
- ✓ One accountable delivery team across IT, cybersecurity, infrastructure and logistics
- ✓ 3 contract vehicles: WEXMAC TITUS 2.2, GSA MAS IT, NASA SEWP VI
- ✓ 1099/PEO surge workforce model, built for task-order velocity

## CONTRACT VEHICLES

### WEXMAC TITUS 2.2

*NAVSUP Worldwide Expeditionary*

Logistics, mission cargo, vehicle, and expeditionary support across DoN and joint customers.

### GSA MAS IT | 70

*Multiple Award Schedule*

Streamlined ordering for IT products and services, cybersecurity, and professional IT solutions.

### NASA SEWP VI

*Government-Wide Acquisition Contract*

Federal-wide vehicle for IT products, hardware, software, and product-based services and solutions.

## NAICS CODES

**541519** Other Computer Related Services

PRIMARY

**541511** Custom Computer Programming

**541512** Computer Systems Design

**541513** Computer Facilities Management

**541611** Admin Mgmt & General Consulting

**238210** Electrical Contractors / Wiring

**561210** Facilities Support Services

**339113** Surgical Appliance & Supplies Mfg

## CERTIFICATIONS

### CMMC Level 2

NIST SP 800-171 self-assessment complete; C3PAO certification in progress

### SBA Small Business

Self-certified, multi-NAICS

## CORE STRENGTHS

### Zero Trust & Compliance

Zero Trust architecture, CMMC and NIST 800-171 readiness, RMF/ATO support.

### Modernization & Intelligence

Cloud migration, AI/ML integration, and Digital Twin systems.

### Cabling & Enterprise IT

BICSI-aligned structured cabling, secure buildouts, and managed IT.

### Supply Chain & 3PL/4PL

Warehousing, mission-cargo distribution, and logistics operations.
